1. Nudity is the norm within the grounds and premises of Costa Natura. No clothing (including swimwear) is allowed in the swimming pools, jacuzzi or sauna. Towels **MUST** be used at all times when using swings, sun-beds, the chairs on the terraces and when using the sauna.
2. Everyone is expected to conduct themselves in a manner that respects the rights of others and does not cause offence, or disrupt the harmony or tranquility, of Costa Natura.
3. Costa Natura welcomes children to the resort on the understanding that parents/ guardians supervise their children at all times, and ensure that they also conform to these rules. In order to comply with health and safety regulations, it is recommended that children under 8 years do not use the jacuzzi or sauna. If children under 8 years enter the jacuzzi or sauna, they must be accompanied by their parents/guardians. No responsibility is taken by the management for non-compliance with these rules. The use of all the facilities is entirely at the individual's own risk. The fitness room is closed for safety reasons.
4. Everyone is committed to respect the bathing hours indicated in the signaling of the pool and on the notice board at reception. Outside these hours the user acts on its own risk (parents are responsible for their children)
5. All are held responsible for any damage to community property, including that caused by their children, or by any other person for whom they are responsible. They shall reimburse the Community for all costs incurred.
6. Clients, Club Members and Day Visitors are not permitted to bring animals into Costa Natura. It is not permitted for any person to light open fires, or barbecues.
7. Everyone must use the drying racks provided in each apartment, and not hang towels or clothes across the terrace.
