

## GIBRALTAR AIRPORT → COSTA NATURA (ESTEPONA)

Take the CA-34 heading San Roque, and after 9 km turn right on E15/A7 towards Estepona/Málaga and take the exit 133 and stay on A7. After about 31 km (there is a Burger Kind on the left side) on the roundabout take the first exit and you will see Costa Natura (look out for its tower). We are just next to Hotel Elba.
