

MÁLAGA AIRPORT → COSTA NATURA (ESTEPONA)

Take the N340 heading west (Algeciras/Cadiz), this road runs parallel with the coast. You can stay on the N340 (for free) or take the Toll road AP-7 (it is less busy than the local road, but you will have to pay several tolls on the way). From A-7 take the exit 153, at the roundabout take 4th exit towards Algeciras/Cadiz. After about 5 km you will see Costa Natura on the left (look out for its tower). Take the last exit off the roundabout in to Costa Natura and enter the car park immediately on your right (careful the entrance is directly off the roundabout). We are just next to Hotel Elba.
